# Rabbit Diet

---

The Rabbit Diet features premium, purposeful ingredients designed to support your pet's healthy and active lifestyle. Starting with high-fiber Timothy hay for optimal digestion, this diet also includes antioxidants and prebiotics to promote whole-body health. It provides 100% of your pet's daily recommended vitamins and minerals without artificial preservatives, colors, or flavors.

## Features

- **High-Fiber Timothy Hay:** Supports healthy digestion and overall gut health.
- **Antioxidants and Prebiotics:** Promote whole-body health by supporting the immune system and improving gut flora.
- **Complete Nutrition:** Provides 100% of daily recommended vitamins and minerals.
- **Natural Ingredients:** Free from artificial preservatives, colors, and flavors.

## Benefits

- **Improved Digestion:** High-fiber content helps maintain a healthy digestive system.
- **Enhanced Immune Support:** Antioxidants strengthen the immune system, helping to keep your rabbit healthy.
- **Balanced Nutrition:** Complete daily nutrition ensures your rabbit gets all the essential nutrients for a healthy lifestyle.
- **Natural and Safe:** Made with natural ingredients, providing peace of mind for pet owners concerned about artificial additives.
